

Report-
ing for
duty!!

From
the same
class, Kiyo-
shimo.

Yuugumo
Class
Destroyer,
Haya-
shimo.

I'll Be Watching You, Senpai by Ikuhana Niiro

Ahh... I hate
to spring
this on you
two, but
you've each
already been
assigned
missions.

Ahem.

Ooh~
You're finally
here! I've
been wai-

I would like
to get you two
up to snuff as
soon as possible,
and train you into
useful assets
for my base.
That is all.
Dismissed.

You will each be
partnered with a
veteran ship girl on
a coastal patrol.
Just keep a close
eye on your
senpai at all
times and
learn all
you can.

Just as the Admiral said, the main purpose of this operation is to increase your combat effectiveness.

Now then!

Stay calm and do the best you can.

Although you'll be seeing combat, the coastal waters are relatively safe.

Have no fear, your senpai will do everything they can to protect you.

Under-
stood.

U...

Katori-
san sure
sounded
convinc-
ing.

But am
I really
going to
be okay...
With this
senpai...?

Ah,
Haya-
shimo-
chan!

Did
you see!?
The way I
took that
guy out!

And
then, and
then-!
